BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure, be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

DISCOVERED BY A WOMAN.

Another great discovery has been made and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed and spit blood, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hannick & Co., of Shelby, N. C. Trial bottles free at Woldridge & Irvine's drug store. Regular size 50c and \$1.00. Every bottle guaranteed.

ROBERTS' BEND AND KNOB CREEK.

KNOB CREEK, May 2.—Bro. Eubanks will fill his regular appointment at Godwin Chapel next Sunday afternoon at 3 o'clock. He expects to hold a few days meeting next week and perhaps will protract it. Hope all the Christians will give us, or rather God, their help and win souls for Christ. For what is grander or more beautiful than to work in the vineyard of the Lord? Some may say it is "too busy a season for a meeting." Suppose you were called to die, then will it be "too busy" to leave this world? No time should ever be too busy to work for the Master. I these perilous war times we had better be gathering together and offering our sincerest prayers, not only for the noble sons of our country, whose blood is being shed, but for all the world—the poor Spaniard, too. Of course, we all would rejoice to know that this grand old union of ours was conqueror; but at the same time our hearts would bleed to know that so many souls were hurled into eternity, even of those of our enemy. "God be with us."

Mr. Wesley Roberts, of Roberts' Bend, and Miss Frankie Kinzer, of near Water Valley, were united in marriage last Sunday evening at Santa Fe, on their return home from El Cere. It was not a "runaway affair," as both families had given their perfect consent. Mr. Roberts has won for his wife a noble and beautiful girl, and of one of the best families of our county. And West—well, everyone knows West; he's a nice, energetic, "good old fellow." We wish them bon voyage.

ORESTRA.

The man with a weight on his leg can't hope to win in the race. A man with a weight on his health can't expect to compete in life and not handicapped. If his brain is heavy, and his blood sluggish, because of constipation, he will not succeed in doing anything very well. Constipation is the cause of nine-tenths of all sickness. Symptoms of it are: Sallowness, listlessness, poor appetite, bad taste in the mouth, dizziness, biliousness, and lassitude. Constipation can be cured easily and certainly by the use of Dr. Pierce's Pleasant Pellets.

Let us be not at all violent in their action, and yet they are more certain than many medicines which are so strong that they put the system all out of order. The great advantage of the Pleasant Pellets is that they cure permanently. Send 21 1-cent stamps to cover cost of mailing, only, and get his great book, the Common Sense Medical Adviser, absolutely free. Address: World's Dispensary Medical Association, No. 633 Main street, Buffalo, N. Y.

Sympathetic Husbands.

The sympathetic tenderness of a loving husband is everything to an expectant mother, especially during her first ordeal. George Layton, Esq., a prominent druggist of Dayton, O., gives the following case:

"A customer of mine, whose wife has used four bottles of 'Mother's Friend' before confinement, says, after seeing the effects of the remedy, that if she had to go through the ordeal again, and there were but four bottles on the market, and the cost was \$100 per bottle, she would have them."

"Mother's Friend" is a scientifically compounded liniment which affords certain relief in the various ailments preceding childbirth, and assures proper elasticity to the cords and muscles involved in the final ordeal.

"Mother's Friend" is sold by druggists, or expressed on receipt of one dollar.
